PROFILE

I'm a jack of all trades master of none. A curious explorer who has ventured across many skills and fields. While I haven't yet found the one path that feels like my true calling, each experience has sharpened my versatility and drive. Invest in my potential, and you'll be investing in adaptability, growth, and relentless curiosity.

WORK EXPERIENCE

Staff Outsourcing Solution

Web Developer Intern

- Served as a Web Developer Intern for over 5 months, collaborating with fellow interns on the development of two projects and culminating in formal presentations to the company's CEO and management team.

Freelance

Graphic Design

- creating custom, visually striking designs that align with each client's unique vision and brand identity. From logos and social media graphics to full-scale branding packages, I focus on delivering designs that are not only creative but also purposeful and impactful. I collaborate closely with clients to ensure every project reflects their goals and stands out in a competitive market.
