WORK EXPERIENCE

Web Developer - (FDG) Form Developer Group, Proweaver, Inc. **December 2025 - Present**

- Developed and customized web forms based on client-provided field labels, requirements, and preferred designs.
- Ensured accurate data handling and database integration for form submissions.
- Collaborated with the Form Developer Group (FDG) to build functional and user-friendly form solutions.
- Performed Quality Assurance (QA) testing to ensure client websites and forms functioned properly across workflows.
- Maintained and troubleshooted client websites by identifying and fixing bugs and technical issues.
- Implemented new website features and enhancements based on client feedback and suggestions.
- Worked closely with clients and team members to deliver reliable and efficient web solutions.

Web Developer & UI/UX Designer Intern, eComia. **Sept 2024 - Jan 2025**

- Created visually appealing layouts and improved overall user experience.
- Designed wireframes, mockups, and prototypes based on project requirements.
- Collaborated with team members to implement website features and design improvements.
- Assisted in testing, debugging, and maintaining website functionality.
- Ensured websites were optimized for different devices and screen sizes.
- Helped improve website performance, accessibility, and usability.
